

**Your Cargo, Our Mission;  
We Get It There.**

**NEW ORLEANS**

**D**an-Gulf was established in 1993 and prides itself on providing the highest quality of service to the industry. When you work with Dan-Gulf, you get a team of experts in the ocean transport of project cargoes including mining equipment, oil well supplies, heavy lift cargo as well as IMO, containers, bulk and neo-bulk cargoes. You also get an established worldwide network that can respond immediately with pricing and information to help you manage your ocean shipments.

We constantly stay abreast of the latest market conditions, enabling us to match your transportation needs with the right vessels and operators to ensure a smooth and cost effective voyage.

# Heavy Lifts and Over-dimensional Pieces are Just Part of a Day's Work.

# Firsthand Experience and a Proactive Approach. It's a Must-Have.

**W**e know firsthand how proactive agency representation can save owners time and money.

Dan-Gulf's agency service is guided not only by our knowledge of the local ports, but also by our experience as managing agents for vessel operators.

While we specialize in voyage planning and project cargoes, you can count on us to handle general cargoes, containers or even a single truck load.

We offer true full-service to our clients, which in many cases includes inland transportation, brokering and transshipping of cargoes. Dan-Gulf's staff assists shippers with stow plans, lifting arrangements, packing recommendations and other logistics.

## Liner Service

**T**hrough Caytrans BBC's break-bulk liner service, Dan-Gulf offers weekly sailings between Houston and Mobile to the North Coast of South America, the Caribbean and Central America. Our fleet of shallow-draft vessels allows us to deliver to some of the other ports in the area.

Personalized Service,  
Frequency & Market Knowledge
